The second M'ũdulo marks the chest, waist or navel A@ slightly above the end of the third M'ũdulo, the middle of the figure A@ marked by the groin or The fourth m'ũdulo, and the sixth A@ marked by the knees and the eighth by the ankles. 2. Here is the result: The lower half of the character can be stylized even more, since she still does not have shoes, nor is her skirt shown in perspective: 4. And in another layer on top, I adjusted the head turnaround until it matched. A character expression sheet covers at least the basic range of emotions and reactions: joy, sadness, anger, surprise, suspicion, boredom, etc. She dresses like medieval nun, an abbess. Expression Sheet Our character still looks a bit stiff, like a sculpture. (Check out recommendations from John Buscema and Stan Lee eAAAs in their book How to draw comics the Marvel way). Full Character (Body) Turnaround Make sure you reuse your construction drawings and head turnarounds as guides to draw the body turnaround. The designer tries to explain to another draughtsman, modeler, or animator how to build a character; their dimensions and how to keep them, their expressions and basic poses, colors, etc. From there, you eAAAVE just got to eAAAdress the mannequin. eAAA The guides, marked in blue, will help you to keep the elements matching across all the different views.
